- ✦ Instructed introductory Italian courses for undergraduates at JHU.
- ✦ Fulfilled teaching responsibilities such as grading, holding office hours and administering exams.
- ✦ Collaborated with teammates, program coordinator and Disability Services to facilitate an equitable and efficient teaching program.

## EDUCATION

---

Thinkful

Online

Data Science Immersion Program

March 2018 - July 2019

- ✦ Developing expertise with Predictive Analytics, Data Engineering and Modeling.
- ✦ Exploring potential emphasis in NLP, Deep Learning and AI.

Johns Hopkins University

Baltimore, MD

MA in Medieval Italian Literature

Summer 2014

- ✦ Gilman Fellowship Recipient
- ✦ Completed Translating the Past paleography program with the International Studies Institute of Florence.

Middlebury College

Florence, Italy

MA in Italian Language and Literature

Summer 2010 - Spring 2011

University of Colorado

Boulder, CO

BA in Italian, Classics, minor in Philosophy

Fall 2003 – Summer 2007

## VOLUNTEER EXPERIENCE

---

Mountain Valley Rescue

Bond, CO

*Trainer Assistant*

May 2017 – Jan 2019

- ✦ Assist head trainer with advanced tasks and challenging horses while assisting other volunteers and owners with horse-care.
